

## Rehmann Selects Tallie as Exclusive Expense Management Solution for its SkyBooks Cloud Solution

*29th Largest Accounting Firm Chooses Tallie for Its Client Accounting Services Practice*

**SAN FRANCISCO, CA - May 12, 2015** - Tallie, the leading SaaS expense management innovator, today announced that Rehmann, the 29th largest accounting and financial services firm in the country, has selected Tallie's award-winning software as the exclusive [expense report](#) solution for its [SkyBooks](#) cloud accounting and financial management solution.

"We selected Tallie for its unprecedented integrations with major accounting systems, as well as its ability to save our clients countless hours of time spent on expense management," said Sharon Berman, Principal at Rehmann. "We are constantly seeking new ways to add value to our accounting services. Tallie's industry-leading software provides our clients with a robust, automated solution to streamline the expense management workflow, prevent employee fraud, and future-proof themselves against a changing industry."

"Rehmann's [SkyBooks](#) cloud accounting and financial management solution allows businesses to place their books in the hands of experts, empowering clients to manage their companies with increased efficiency and reduced cost," said Chris Farrell, CEO of Tallie. "We're thrilled to have Rehmann as a partner in our Tallie Key Program, and admire their devotion to providing the best possible services, financial strategies, and tools to ensure their clients' success."

Tallie is an efficient, accurate expense reporting and management system that collects and categorizes expense data automatically, saving time and money for businesses. It automates the expense reporting process with smart features such as rapid receipt processing, auto-categorization of expenses and credit card/receipt auto-match. Clients also receive immediate policy alerts for stronger fraud prevention. Additionally, its industry-leading mobile interface, rapid automated data capture, and deep accounting and bill pay software integrations sends expense data quickly and accurately with minimal client effort or manual data entry.

The [Tallie Key Program](#) provides firms with upfront, strategic planning and dedicated support that aligns technology solutions and business strategy to maximize Business Process Outsourcing growth and performance. Tallie helps drive business growth through collaborative communication focusing on three core areas; enablement, monetization, and innovation. Using proven methodologies and best practices, Tallie enhances the trusted advisor role while achieving outstanding results for firms and their clients.
